RE: Open House to Discuss Airport Study on December 2, 2008

The City of Kankakee, the Kankakee Valley Airport Authority, and Kankakee County have formed an Airport Study Task Force to perform an economic development, land use and transportation study of an area around the Greater Kankakee Valley Airport. The draft report on the Study is now available on this project webpage. Please feel free to review the draft report.

A Public Meeting to discuss the Study and draft report will be held on Tuesday, December 2, at the Hilton Garden Inn, from 5 to 7 P.M. A presentation on the draft report will be made at 6 P.M. You are welcome to come before that time to discuss issues of importance to you, or to stay after the presentation to ask questions. We want to invite you to that meeting, so that you can be informed of the purpose and progress of the study.

If for any reason the arrangements for the Public Meeting are changed, we will post them on this webpage. Please check this webpage for the most current information.

If you have questions after viewing the webpage, please contact Mike Martin at (815) 937-2940, extension 231, or by email at [mmartin@k3county.net](mailto:mmartin@k3county.net). Thank you.
