**Township** T30N **Range** R10E **Orientation** North

**Section** 1 **Parcel** W 1/2 of NW 1/4

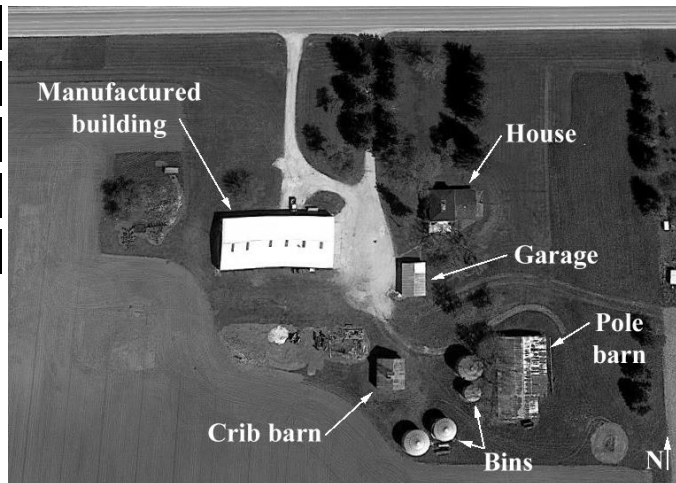

**Historic Use** Agricultural

**Current Use** Residential

**Significance** Local landmark potential

## Fieldnotes

Surveyed from public right-of-way only.

## House

**House Type** Four-over-Four

**House Style** —

**Number of stories** 2

**Roof Type** Hip

**Window Type(s)** 2-over-2 wood double hung

**Dormer Type** None

**Date or Approx. Decade of Construction** c. 1858

**Foundation** Stone, concrete

**Wall Material(s)** Stone, aluminum siding

**Trim Material(s)** Wood

**Porch Material(s)** None

**Roof Material(s)** Asphalt shingle

**Significance** Contributing

## Notes

1-story addition to east side. Appears abandoned and in relatively poor condition.

## Notes

This was a new house, visible in 1939 aerial view. Original farmstead was on south side of road in Section 10. After 1930s, this group north of road was gradually developed, and buildings south of road were eventually demolished.

## Additional Structures

## History Notes

Historic buildings were on south side of road and have been demolished. (Land ownership separated in 1973.) Buildings were developed north of road beginning in 1930s. Last surviving structure on south side was crib barn, demolished early 2000s.

## Notes

The two wings of this house were built at different times. The front portion dates to 1853, while the side wing is from the latter part of the 19th century. A portion of the original side wing was demolished before 1955; compare to 1920 historic view from Meyer.

Section 5 Parcel N 1/2 of SE 1/4

Historic Use Agricultural

Current Use Agricultural

Significance Local landmark potential

Fieldnotes

## House

House Type Four-over-Four

House Style Classical Revival

Number of stories 2

Roof Type Hip

Window Type(s) Double hung

Dormer Type None

Date or Approx. Decade of Construction 1900s

Foundation Stone

Wall Material(s) Wood siding

Trim Material(s) Wood

Porch Material(s) Wood, concrete masonry

Roof Material(s) Asphalt shingle

Significance Contributing

## Notes

Very well preserved

**Township** T30N **Range** R10E **Orientation** South

**Section** 15 **Parcel** E 1/2 of SW 1/4

**Historic Use** Agricultural

**Current Use** Agricultural

**Significance** Contributing

**Fieldnotes**

## House

**House Type** Upright and Wing

**House Style** —

**Number of stories** 2

**Roof Type** Gable

**Window Type(s)** Casement

**Dormer Type** None

**Date or Approx. Decade of Construction** 1860s

**Foundation** Concrete

**Wall Material(s)** Vinyl siding

**Trim Material(s)** Vinyl

**Porch Material(s)** Concrete

**Roof Material(s)** Sheet metal

**Significance** Contributing

## Notes

1-1/2 story portions appears to be historic, but "wing" portion has been demolished and replaced. Compare to 1920 view from Meyer.

**Township** T29N **Range** R10E **Orientation** North

**Section** 2 **Parcel** N 1/2 of NE 1/4

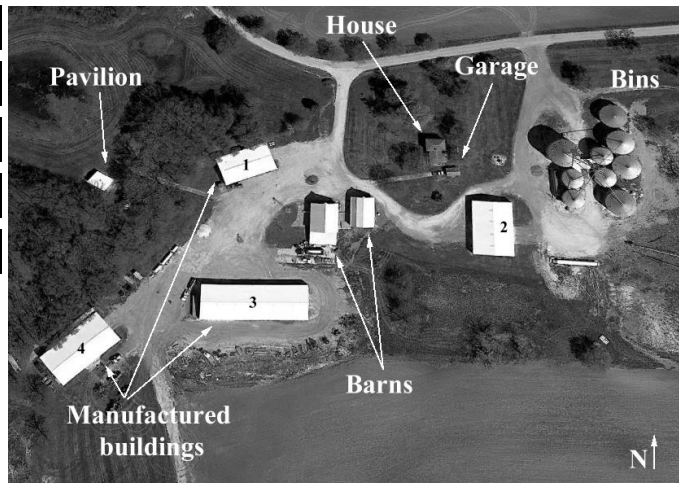

**Historic Use** Agricultural

**Current Use** Agricultural

**Significance** National Register potential

## Fieldnotes

Historic house and two historic barns are the key features of this farmstead.

## House

**House Type** Four-over-Four

**House Style** Italianate

**Number of stories** 2

**Roof Type** Hip

**Window Type(s)** Double hung

**Dormer Type** None

**Date or Approx. Decade of Construction** 1860s

**Foundation** Stone

**Wall Material(s)** Stone, concrete block addition

**Trim Material(s)** Stone, wood

**Porch Material(s)** Concrete, wood

**Roof Material(s)** Asphalt shingle

**Significance** Landmark potential

## Notes

Cupola and some ornamental details have been lost; some poorly matched window replacements.

## Additional Structures

## History Notes

Levi O. Munger: See 1883 Atlas, 163. In partnership with Silas E. Kelsey, he purchased all of Section 12 in 1875 and developed a stock farm with cattle and thoroughbred horses.
